EDUCATION

B.S Applied Mathematics Feb 2019 - Dec 2023
Institute of Mathematics and Statistics - University of Sao Paulo (IME-USP)

High School with an Associate Degree in Informatics Feb 2016 - Dec 2018
State Technical School of São Roque - São Paulo (ETEC-SR)

SKILLS

- Technologies
Python, C++, Latex, Github, PHP, HTML5/CSS, Java, C#, SQL
- Languages
Portuguese (native), English (intermediate)

VOLUNTEER

- ImeJr** Feb 2019 - Dec 2023
I did volunteer work at IMEjr as a statistician, during the period I was there, an old ongoing project showed up and needed to be finished, a website, therefore, for the most part I've worked on the programming of that website.
- Volunteer Mathematics Teacher at booster classes in ETEC-SR** Mar 2018 - Sep 2018.
I volunteer in ETEC-SR for booster classes of basic mathematics at technical courses for nursing, but after 2 months, all the basic concepts was explain, so I proposed to give booster classes in mathematics to High School, and so I continued to give classes until the college entrance exams.

EXTRACURRICULAR

- Junior Scientific Initiation Program in Mathematics** Mar 2013 - Oct 2014
A reward from being a medalist in the Brazilian Mathematics Olympiad of Public Schools (OBMEP, in Portuguese). During the two years I studied logic, basic cryptography, probabilities and discrete mathematics, forming groups to solve problems in the book "Mathematical Circles: (Russian Experience)".

AWARDS & RECOGNITION

- 159th place at Brazilian Mathematics Olympiad of Public Schools(OBMEP, in portuguese)** 2018
- 175th place at Codeforces Round #653 (Div. 3)** 2020
- Silver at Brazilian Mathematics Olympiad of Public Schools(OBMEP, in portuguese)** 2013-2015
